

## Complete School Mobile App — Master Feature List

---

### Super Admin (App Owner)

1. Dashboard with all schools overview (total schools, revenue, active users)
  2. School onboarding — add/approve new schools
  3. Subscription plan management (create/edit plans, pricing, duration)
  4. Payment & billing tracking per school
  5. Send announcements to all admins
  6. App-wide settings & configurations
  7. Feature toggle per school (enable/disable modules)
  8. Analytics — MAU, DAU, churn rate per school
  9. Support ticket management
  10. Push notification broadcast to all users
  11. Manage app content (terms, privacy policy, FAQs)
- 

### Admin (School Owner)

#### School Setup

12. School profile setup (name, logo, address, contact) ✓
13. White-label branding per school (logo, colors, app name) ✓
14. Academic year & term/semester configuration ✓
15. Class & section management (Grade 1-A, 1-B, etc.) ✓
16. Subject management ✓
17. Timetable/schedule builder ✓
18. School calendar (holidays, events, exams) ✓
19. Subscription management & renewal
20. Multi-branch school management (same admin, multiple campuses)
21. Role & permission customization (what each staff can see)
22. Data backup & restore
23. Bulk import students/staff via Excel/CSV
24. Duplicate student/record detection ✓
25. Audit logs (who changed what and when)

26. API access for third-party integrations

### **Admission Management**

- 27. Online admission enquiry form
- 28. Admission application tracking
- 29. Waiting list management
- 30. Document verification checklist
- 31. Admission fee collection
- 32. Offer letter / admission confirmation generation
- 33. New student onboarding flow ✓

### **Staff Management**

- 34. Add/edit/remove staff accounts ✓
- 35. Assign roles (teacher, accountant, driver, etc.) ✓
- 36. Staff attendance tracking
- 37. Staff payroll management
- 38. Staff leave requests & approvals ✓
- 39. Staff documents upload (ID, certificates)
- 40. Teacher performance review
- 41. Substitute teacher management

### **Student Management**

- 42. Student enrollment & registration ✓
- 43. Assign students to classes/sections ✓
- 44. Student profile management ✓
- 45. Student ID card generation ✓
- 46. Transfer/TC (Transfer Certificate) management ✓
- 47. Alumni records & directory
- 48. Student discipline & behavior records

### **Fee Management**

- 49. Create fee structures (tuition, transport, activity fees)
- 50. Assign fees to classes/students
- 51. Fee payment tracking & history
- 52. Send fee reminders to parents

- 53. Generate invoices & receipts
- 54. Overdue fee reports
- 55. Online payment gateway integration (UPI, card, net banking)
- 56. Sibling discount management
- 57. Scholarship & concession management
- 58. Partial payment & installment plans
- 59. Fee defaulter list with auto follow-up
- 60. Split fee collection (partial online, partial cash)
- 61. GST / tax invoice generation
- 62. Refund management

### Reports & Analytics

- 63. Attendance reports (students & staff)
- 64. Fee collection reports
- 65. Academic performance reports
- 66. Enrollment statistics
- 67. Export reports as PDF / Excel

### Communication

- 68. Send announcements to all / specific classes / parents
- 69. Bulk SMS & push notification sender
- 70. Manage notice board
- 71. Parent-teacher meeting scheduler
- 72. School news feed / social wall
- 73. Digital school magazine / newsletter

---

### Staff / Teacher

#### Classroom

- 74. View assigned classes & timetable
- 75. Mark student daily attendance (present/absent/late)
- 76. QR code / ID card scan based attendance
- 77. View class student list with profiles
- 78. Upload study materials (PDFs, videos, docs)

79. Assign homework & track submission

80. Syllabus upload per class/subject

81. Syllabus completion tracker (% covered)

82. Lesson plan creation & submission

83. Admin review & approval of lesson plans

84. Curriculum mapping

### Exams & Grades

85. Create exams & question papers

86. Enter/upload student marks

87. Generate report cards with GPA calculation

88. View subject-wise performance analytics

### Behavior & Discipline

89. Student behavior log (positive & negative incidents)

90. Disciplinary action records

91. Parent notification on discipline issues

92. Counselor referral system

93. Reward points / merit badge system

### Communication

94. Send messages to parents of their class

95. Group chat (class group, parent group)

96. Receive school announcements

97. Chat with admin

98. Video call with parents

99. Raise leave request

### Personal

100. View own attendance & salary slip

101. View personal timetable

102. Profile management

103. View & download payslips

- 104. View personal timetable & class schedule ✓
  - 105. View attendance record (daily/monthly) ✓
  - 106. Download study materials & notes ✓
  - 107. View & submit homework assignments ✓
  - 108. View exam schedule ✓
  - 109. View marks & report cards ✓
  - 110. Download performance certificates
  - 111. View school notices & announcements ✓
  - 112. Fee payment history (view only) ✓
  - 113. School calendar access ✓
  - 114. Live GPS bus tracking on map
  - 115. Chat with teacher (if enabled) ✓
  - 116. Virtual classroom / online class access
  - 117. View class recordings & replays
  - 118. In-class polls & quizzes participation ✓
  - 119. Library book catalog & borrowing status
  - 120. View co-curricular activities & events
  - 121. Student portfolio builder (work samples over years)
  - 122. View achievement badges & merit points
  - 123. Sports team & competition details
  - 124. Canteen menu & pre-order meals
  - 125. Canteen wallet balance (view)
  - 126. Birthday notifications & wishes ✓
  - 127. Student council voting ✓
- 

## Parent

### Child Monitoring

- 128. View child's attendance (daily/monthly)
- 129. View child's homework & submission status
- 130. View exam schedule & results
- 131. Download report cards

- 132. View timetable
- 133. Monitor behavior & discipline records
- 134. View achievement certificates & badges
- 135. Manage multiple children (if siblings enrolled)

#### **Bus / Transport Tracking**

- 136. Live real-time bus GPS tracking on map
- 137. Bus arrival push notification ("Bus is 10 mins away")
- 138. Bus route map with all stops
- 139. Driver name, photo & contact number
- 140. Student boarding/deboarding alerts (child got on / got off bus)
- 141. Bus schedule & stop timings
- 142. Trip history (past routes & times)
- 143. SOS / Emergency alert from bus

#### **Communication**

- 144. In-app chat with class teacher
- 145. Video call with teacher
- 146. Receive fee reminders & pay fees online
- 147. Receive school announcements & notices
- 148. Request parent-teacher meeting
- 149. Submit leave application for child
- 150. Read receipts on important notices
- 151. Message translation (multi-language support)
- 152. Parent-to-parent community forum (optional)
- 153. Automated reminders (fee due, exam tomorrow, PTM)
- 154. Feedback & rating on school events
- 155. Anonymous suggestion box

#### **Payments**

- 156. View pending & paid fees
- 157. Pay fees via UPI / card / net banking
- 158. Download payment receipts
- 159. — Canteen wallet — load balance for child

160. Canteen transaction history

#### Personal

161. Update contact & profile information

162. Notification preferences (what alerts to receive)

163. Submit feedback / satisfaction survey

---

#### Bus Driver (Separate App Interface)

164. Driver login & profile

165. Start / end trip with one tap

166. Mark each student as boarded / deboarded

167. Live route navigation

168. Breakdown / delay reporting to admin

169. Driver attendance tracking

170. Vehicle maintenance log & reminders

171. SOS panic button

172. Trip history & logs

---

#### Library Management

173. Book inventory & categorization

174. Issue & return tracking

175. Fine calculation for late returns

176. Book search & reservation by student/parent

177. Low stock alerts for admin

178. E-book / digital resource section

---

#### Canteen / Cafeteria Management

179. Digital menu display with nutritional info

180. Allergy / dietary preference tagging

181. Pre-order meal for the day

182. Canteen wallet system (parent loads, student spends)

183. Transaction history for parents & admin

184. Daily sales report for canteen admin

---

#### Health & Medical

- 185. Student medical profile (blood group, allergies, conditions)
  - 186. Vaccination records
  - 187. School nurse / doctor visit logs
  - 188. Medication tracker
  - 189. Incident / injury reports
  - 190. Health alerts sent to parents
  - 191. Annual health checkup records
- 

#### Hostel Management (*Boarding Schools*)

- 192. Room & bed allotment ✓
  - 193. Hostel fee management ✓
  - 194. Warden communication portal
  - 195. Student in/out register ✓
  - 196. Hostel attendance ✓
  - 197. Visitor log for hostel students
  - 198. Hostel notice board ✓
- 

#### Sports & Extracurricular

- 199. Sports team management
  - 200. Tournament & match scheduling
  - 201. Student achievement / trophy tracking
  - 202. Extracurricular activity enrollment
  - 203. Coach / instructor assignment
  - 204. Inter-school competition management
  - 205. Sports day & annual day scheduling
- 

#### Online Classes / Virtual Classroom

- 206. Live class scheduling (Zoom / Google Meet integration)

- 207. Class recording & replay
  - 208. Virtual whiteboard
  - 209. In-class polls & quizzes
  - 210. Raise hand / participation feature
  - 211. Breakout rooms for group work
  - 212. Attendance auto-marked for online classes
  - 213. Study material sharing during live class
- 

#### Visitor Management

- 214. Visitor entry log (name, purpose, time-in/out)
  - 215. Gate pass generation (QR / OTP based)
  - 216. Pre-approved visitor list
  - 217. Parent visit notification to teacher
  - 218. Blacklist / block specific visitors
- 

#### Safety & Emergency

- 219. SOS panic button (student / staff)
  - 220. Emergency broadcast to all parents instantly
  - 221. Fire drill / emergency drill scheduler
  - 222. Missing student alert
  - 223. CCTV live feed integration (admin only)
  - 224. School lockdown alert system
  - 225. Bus SOS / breakdown alert to admin & parents
- 

#### Certificates & Achievements

- 226. Auto-generate performance certificates
- 227. Participation certificates for events
- 228. Digital achievement portfolio per student
- 229. Scholarship tracking & notification
- 230. Student of the month recognition
- 231. Co-curricular achievement certificates

---

### Events & School Culture

- 232. School event creation & publishing
  - 233. RSVP / event registration for parents
  - 234. Online ticket booking for school functions
  - 235. Event photo / video gallery upload after event
  - 236. Volunteer signup for school events
  - 237. Birthday notifications & wishes
  - 238. Student council election & voting
  - 239. School magazine / newsletter (digital)
- 

### App-Wide Features (All Users)

- 240. Secure login (OTP / email / password)
  - 241. Biometric login (fingerprint / Face ID)
  - 242. Multi-language support
  - 243. Dark mode / Light mode ✓
  - 244. In-app push notifications
  - 245. Role-based access control
  - 246. Offline mode (view cached data without internet)
  - 247. Document upload & viewer
  - 248. In-app help & support chat
  - 249. Activity log / audit trail
  - 250. GDPR / data privacy compliance
  - 251. App update & version management
  - 252. In-app feedback / bug report button
-
